## 24/7 Protection for You and Your Family

Staying at home during this now normal has given us the opportunity to spend more time and reconnect with our loved ones. By staying closed with one another for an extended period good personal hygiene practice becomes our first line of defense in staying healthy and strong. The American Standard HygieneClean™ System offers complete bathroom solutions that enable 24/7 protection in bathroom hygiene, safeguarding every family member, because every moment worth cherishing is a moment worth protecting.

HygieneClean™ System Protecting you 24 hours a day, 7 days a week. Learn more here: [www.americanstandard.com.my/hygiene-clean](http://www.americanstandard.com.my/hygiene-clean)

**American Standard**  
Raising The Standard

Acacia SupaSleek™ Collection.

Best of Design and Technology.

When it comes to the finer details, nothing comes close to the Acacia SupaSleek™ Collection. Every curve is thoughtfully crafted, every gear is meticulously assembled. The essential and refined geometrical shape forms the basis of this minimalistic collection. The best has just elevated for the better.

Just Got Sleeker.

Inspired by architectural slim, Acacia SupaSleek™ now boasts an ultra-sleek profile for that sleeker, modern style with zero compromises on comfort and technology. Look no further. Slim is the new now.

Thinner Than Ever.

Beneath these slim curves, Acacia SupaSleek™ Collection is designed with purposeful innovation to create highly sophisticated environments with a minimal and architectural look and feel.

CrystaSleek

Ultra-slim is not impossible. With much dedication and innovation, our CrystaSleek seat and cover made using a double injection molding process, enhances durability at the same time retaining a 30mm thin profile. What's more, it creates a slimmer optical illusion of the seat cover to complete the minimalistic look.

Thinner Tank Lid

We took it a step further and redesign a 17mm thin, sleek tank lid. All in the name of aesthetic.

**Powerful with Double Vortex**  
Eliminate both heavy and light waste with minimal effort. For a cleaner and safer toilet for your loved ones.

**Cleaner with PowerRim**  
No more hidden corners! The rimless design eliminates hard to reach surfaces for effective removal of dirt and stains.

**Spotless with Aqua Ceramic**  
This award-winning hydrophilic technology enables water to penetrate between the contaminants and toilet surface, lifting waste off with every flush.

**Germ-Free with ComfortClean**  
Nasty E. coli bacteria stand little chance against this revolutionary ceramic glaze with zinc oxide. For a cleaner and even safer toilet bowl.
